Dear Sir/Madam

I am writing to apply for a position in your company which has been expressed in the description. It will be my happiness to work for your company if my knowledge and experience are appropriate for your work. I consider myself proactive, outgoing and enable to take responsibility. I am going to try my best to develop myself and donate my efforts to your company.

I graduated form Thu Dau Mot University in June, 2019. For student`s time, I used to work at Jollibee restaurant, attend my school`s Scientific Research Course getting the second prize, organize Happy Camping in some school`s festivals. Furthermore, I used to participate in doing charity such as: giving clothes, books, food for poor children and help people who live in disaster. After graduating, I worked for 2 companies

1 is Nhat Vinh Joint Stock Company specializing in photocopy machines, where I convinced customers with enthusiasm and dedication.

2. is Donna Pacific company specializing in manufacturing shoes for Nike partners, where I gained experience in understanding the superior quality standards. From there, I built the company's reputation with partners

I wish I could work for your company with the promise to try my best and spend all my energy and knowledge, I always take responsibility for everything I do and finish my work as well.

Thanks for your consideration. I am looking forward to receiving your interview arrangement soon.

Yours sincerely

NGUYEN KHAC HUAN
